1. Winter Wonderland Organic Garland

Clustered balloons in mixed sizes - white, pearl silver and ice blue - built in our loose, organic style and finished with silver snowflake balloons and clear bubble balloons. Balloons only, no greenery, so the garland stays light, bright and snowy. It suits a party entrance, a photo corner, a stage edge or a storefront, and it gives the whole room a snowy, winter wonderland feel.

> **Linked service:** Balloon Decor & Arches - Garland
>
> **Starting range:** **Garland from $87.99 + tax. Archways, if you want to extend the look, start from $164.99 + tax. Final price is by length and size.**
>
> **Setup note:** Best placed where guests arrive or gather for photos. We need a clear wall, doorway or railing to anchor to, and access ahead of guest arrival so the garland is finished before the room fills.

2. Glowing LED Bobo Centrepieces - Personalized

Clear Bobo bubble balloons with cool white LED string lights inside, finished with silver bows, set on stands as table centrepieces or a welcome-table feature. Each balloon can be personalized with a name, a date or a short holiday message - for example a birthday name, a family name or a class or team celebration line - so guests have a keepsake photo spot at every table, glowing like ice in the winter light.

> **Linked service:** Stuffed Balloons & Balloon Decor - clear / Bobo-style balloons, built and finished as decor
>
> **Starting range:** **From $49.99 + tax for a basic 18-inch stuffed balloon (base and topper included). Final price for LED centrepieces is confirmed in your exact quote once we know the number of tables, balloon size and the wording you want - no separate LED or wording price is listed here.**
>
> **Setup note:** Works best indoors for late-afternoon and evening events, when the lights show most. Tell us the exact spelling for any name or message when you book, and allow setup time before guests are seated so battery packs can be tucked out of sight.

3. Personalized Bobo Gift Balloon

A clear stuffed balloon used as gift wrapping you can see through: treats, small gifts, white, silver and ice blue mini balloons and a stuffie arranged inside, finished with a silver bow, a topper balloon and a gift tag with the recipient's name. It is a strong fit for December birthdays, teacher and coach thank-yous, and holiday surprises where the presentation is half the gift.

> **Linked service:** Stuffed Balloons & Candy Cups - Stuffed Balloons (U-fill or Custom Stuffed, where we do the shopping)
>
> **Starting range:** **Stuffed Balloons from $49.99 + tax for a basic 18-inch balloon (base and topper included). Custom Stuffed pricing is confirmed by what goes inside. Candy Cups are $10.99 (U-fill), $13.19 (cotton candy) and $15.39 (candy filled), plus tax, if you want matching favours.**
>
> **Setup note:** Order this one ahead - the fillings need to be ready before the balloon is built. Keep it indoors and out of direct heat, and plan a flat surface for display so it stays upright for photos and pickup.

4. Merry Reef - Underwater Holiday

A frozen underwater scene in winter wonderland colours: a wave-style garland in ice blue, pale aqua and white across the top, silver bubble balloons, frosted coral shapes along the base, and balloon sea creatures - an octopus, fish and starfish - in snowy hats. It gives a November or December birthday an icy, under-the-sea theme that fits the white, silver and ice blue palette.

> **Linked service:** Balloon Sculptures, with Balloon Decor & Arches - Garland for the wave backdrop
>
> **Starting range:** **Balloon Figures: Small $10.99-$27.48 + tax, Medium $27.49-$54.98 + tax, Large $54.99-$82.48 + tax, X-Large $82.49 and up. Garland from $87.99 + tax. Final price is by figure size and garland length.**
>
> **Setup note:** Anchor the wave garland high so the creatures sit at child eye level underneath it. The sculptures are the photo focus, so leave a clear space in front of the scene rather than pushing tables tight against it.

5. Nutcracker Ballet - Classic Holiday

A classic Nutcracker scene built entirely from balloons: a tall Nutcracker soldier in red and gold as the centrepiece, a balloon ballerina in a soft pink tutu beside him, plus balloon drums, candy canes and gold stars, framed by an organic garland in white, silver, ice blue, deep red and gold. Perfect for December birthdays, dance recitals and school concerts wanting a storybook Christmas feel.

> **Linked service:** Balloon Sculptures, with Balloon Decor & Arches - Garland for the backdrop. Add a Balloon Artist at $137.50 per hour + tax for live balloon twisting as well.
>
> **Starting range:** **Balloon Figures: Small $10.99-$27.48 + tax, Medium $27.49-$54.98 + tax, Large $54.99-$82.48 + tax, X-Large $82.49 and up. Garland from $87.99 + tax. Balloon Artist $137.50 per hour + tax, if added.**
>
> **Setup note:** Place the Nutcracker where guests gather for photos, at full height with clear space in front. Stand the ballerina and drums at different heights beside him for depth, and keep the garland high so it frames the group.

Booking notes for the holiday season

Starting ranges only. Every price above comes from our regular price list and is plus tax. Your exact quote depends on garland length, figure size, quantities, fillings, wording and venue, and is confirmed before you book - nothing in this set is a confirmed quote for a specific client or event.

November to December dates fill first. If your date is a weekend, a school event or close to Christmas, ask early and hold the date while we work out sizes and colours.

What to send us. Your date and start time, venue or community, which concept you like, your colours, and - for personalized Bobo balloons - the exact name, date or message, spelled the way you want it to appear.
